

50/50

Enrollment Promotion
2018/10/1~11/30

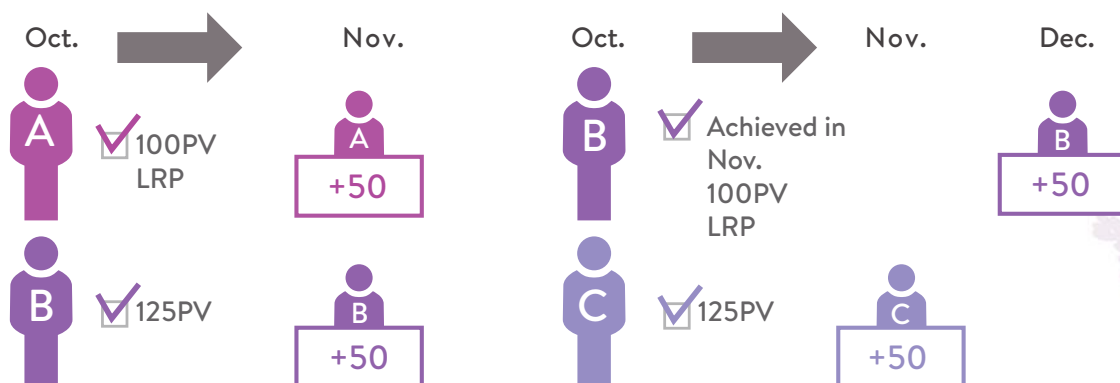

Keep sharing to earn more points!

Enroll with any single 125PV Enrolment order to get 50 points.

Enroller will also get 50 points by placing any 100PV LRP order from October 1-November 30, 2018.

- Only Enrollers and Enrollees from the markets participating in this promotion will qualify to receive points. Example: Taiwan enrollers can enroll anyone from Taiwan, China, Hong Kong, Singapore, Malaysia, Australia, or New Zealand, and qualify for the promo. Any enrollments outside of these markets will not count toward the promotion. Enrollees within these markets who have enrollers outside these markets will count and receive points if they qualify, but their enrollers will not. Example, a US enroller enrolls a member in Hong Kong. The US enroller will not qualify for enroller points, but the Hong Kong enrollee will qualify for enrollee points.
- If a new enrollee enrolls new member during their own enrollment month, they will be pulled out and awarded their 50 enroller points after their second month, if they have a 100PV LRP order in their second month.

Rules and Terms

- Enrollment orders placed outside of the enrollment period do not count as qualifying enrollments for the promotion.
- Points will be added by end of next month for qualifiers.
- Reactivations do not count towards this promotion.
- Preferred Member upgrades to a Wellness Advocate account will qualify if their new enrollment order is 125PV.
- Enroller points will be awarded to qualified WA who holds enrollership at the end of the month. In order to insure the correct enroller gets the points, we recommend waiting 1 month after the promotion ends before making any enroller changes.
- doTERRA Hong Kong reserves the right to interpret and change the content of the event.
