PRODUCT DESCRIPTION

Revered by the Maori people for its many invigorating properties, Manuka has been used for centuries in New Zealand for its plethora of health benefits. dōTERRA's New Zealand Manuka Essential Oil is a pure steam distillation of the potent aromatic compounds found in the flowers, leaves, and stems of the Manuka tree. Manuka essential oil has a rich, spicy, herbaceous fragrance that can relieve feelings of stress and promote relaxation naturally. Use Manuka essential oil to ground and center energies while shielding yourself in preparation for deep meditation. Manuka essential oil can also be diffused aromatically to help cleanse and freshen the air.

USES

- Diffuse during meditation to center oneself
- Combine with water in a diffuser to freshen air
- Dispense 2-3 drops on a terra cotta plate and breathe in deeply before bedtime

DIRECTIONS FOR USE

Diffusion: Use three to four drops in the diffuser of choice.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
