Enrollment Promotion  
2018/10/1~11/30

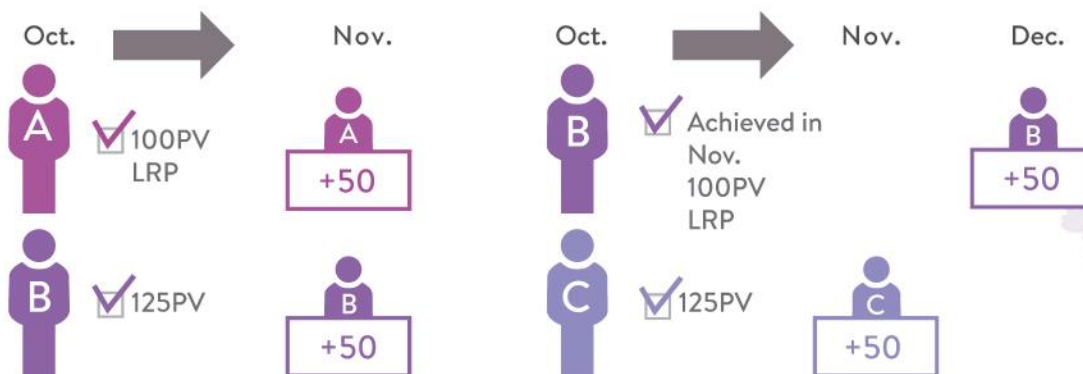

**Keep sharing to earn more points!**

Enroll with any single 125PV Enrolment order to get 50 points.

Enroller will also get 50 points by placing any 100PV LRP order from October 1-November 30, 2018.

- Only Enrollers and Enrollees from the markets participating in this promotion will qualify to receive points. Example: Taiwan enrollers can enroll anyone from Taiwan, China, Hong Kong, Singapore, Malaysia, Australia, or New Zealand, and qualify for the promo. Any enrollments outside of these markets will not count toward the promotion. Enrollees within these markets who have enrollers outside these markets will count and receive points if they qualify, but their enrollers will not. Example, a US enroller enrolls a member in Hong Kong. The US enroller will not qualify for enroller points, but the Hong Kong enrollee will qualify for enrollee points.
- If a new enrollee enrolls new member during their own enrollment month, they will be pulled out and awarded their 50 enroller points after their second month, if they have a 100PV LRP order in their second month.

# cō·doTERRA Impact SOURCING

In addition to supplying the highest quality essential oils doTERRA is committed to making a positive difference in the lives of farmers, harvesters, and distillers who contribute to doTERRA's oil production.

With over 100 essential oils in its product line, doTERRA sources its oils from over 40 countries —more than half of which could be considered developing countries. To ensure that small scale farmers and harvesters in disadvantaged areas are treated ethically, doTERRA has introduced an initiative called Co-Impact Sourcing.

Co-Impact Sourcing is an initiative that seeks to develop long-term, mutually beneficial supplier partnerships while creating sustainable jobs and providing reliable income in underdeveloped areas. doTERRA is committed to the ethical treatment of its suppliers by providing on-time payments at fair prices. Growers and harvesters are encouraged to form cooperative groups to share collective benefits and bargaining power while improving skills and capacity.

Additionally, the doTERRA Healing Hands Foundation® helps support development projects in sourcing communities. Projects include schools, health clinics, improved infrastructure and clean water systems.
